

Professional performance at every level

Now every business can own an Epson large format printer. The new SureColor™ SC-T Series entry level desktop and floor-standing printers makes scanning and creating large scale prints easy and affordable for any business of any size. Even for occasional users, PrecisionCore nozzles can deliver small, round drops, particularly important for creating sharp text and fine lines. The perfect cost-saving solution when bringing print production in-house for the first time.

Quality

PrecisionCore technology

Precisely controlled droplet shape and volume at a rate of up to 50,000 droplets per second means incredible detail and professional output quality at high speed.

Designed for accuracy and precision

Micro Piezo printheads deliver astounding accuracy in black text, colour graphics and images.

Innovation

Small footprint

Clean and compact design fits seamlessly into most environments. The SC-T3100 & SC-T5100 models have removable stands for desktop use. The sealed unit creates a flat surface for additional workspace.

Faster speed to first print

2.4 A1 pages per minute and no waiting in-between.

Print direct from devices

Wi-Fi printing via compatible devices and apps supporting Direct Wi-Fi, as well as Apple AirPrint™.

Peace of mind

NVT technology

Unique Nozzle Verification Technology (NVT) and dust prevention means no misprints, even with occasional use.

Total cost of ownership (TCO)

From purchase price to consumables and maintenance. Printheads that are an integral part of the printer and designed to last for the life of the unit. A range of ink cartridge sizes and bulk ink 140ml bottles for economies of scale.

Warranty

Your Epson printer comes with an onsite one to two year warranty* plus optional CoverPlus onsite extended warranty available for 3, 4 or 5 years.

*One year on-site warranty for SureColor SC-T3100(N), SC-T3100x and SC-T5100(N).
Two year on-site warranty for SureColor SC-T3400(N) and SC-T5400(M)

SureColor SC-T3100, T3100x, T3100N, T5100, T5100N

Desktop or floor standing large format printers with the smallest footprint in the range and flat surfaces for when space is at a premium. The T3100x refillable ink solution is perfect for daily large format print jobs. Networking connectivity including Wi-Fi printing via compatible devices which support Direct Wi-Fi, as well as Apple AirPrint™.

SureColor SC-T3400, T3400N, T5400, T5400M

Desktop or floor standing large format printers for high quality technical printing at relatively low cost. Amazingly detailed results at high speeds. Scan and print up to 30.5m with the T5400M. Larger capacity ink cartridges – up to 350ml – provide economies of scale. Networking connectivity including Wi-Fi printing via compatible devices which support Direct Wi-Fi, as well as Apple AirPrint™.
